## MATTERS POLITICAL IN COCHISE

Some Pointers on the Aspirants Who  
Have Announced Their Candidacy  
Through the "Prospector"

### SUBSTANTIAL CITIZENS BEFORE THE PEOPLE

The political announcements in the  
Prospector tells the voter what you  
are running for and is the tow line  
that will keep you prominently to  
political front.

Col. Pickett of Tombstone is mak-  
ing a clean race for the senate and  
gaining strength daily. The Cochise  
candidate is a certain winner.

Gus Hickey of Bisbee is one of the  
substantial citizens of the county and  
a successful merchant who would, if  
elected bring to the supervision  
that good business judgment and  
wise discretion so essential to the con-  
duct of that important office.

For county recorder the announce-  
ment that Owen Murphy of Lowell is  
an aspirant is an assurance that with  
his nomination his election is con-  
ceded. Judge Murphy is eminently  
qualified and would make an ideal  
Recorder.

Dr. W. P. Sims is a popular candidate  
for the state senate. Mr. Sims is a  
professional man of high attainments  
is an active Democrat and knows the  
needs of Arizona in the legislature.

J. S. Merrill is out for county road  
superintendent. Mr. Merrill is an  
honored pioneer of Arizona, coming  
to Cochise county in 1878 and promi-  
nently identified with the county  
ever since. He has demonstrated his  
ability to build good and lasting roads  
and his practical familiarity with  
the duties of this office makes him  
well qualified for the position.

For the important office of assessor  
E. A. Hughes of Tombstone is a hus-  
tling aspirant. Mr. Hughes is a man  
of sterling qualities and exceptional  
ability. As chief deputy county re-  
corder and also as city clerk he has  
shown himself well qualified to fill  
any office of trust and responsibility.  
He is well known and will make a  
strong race.

John Rock of Tombstone for super-  
visor is one of the practical business  
men with whom the responsible coun-  
ty affairs could be entrusted to receive

serious and careful administration at  
his hands. Mr. Rock is a thorough  
democrat whose fidelity to the party  
is unquestioned and his interest in  
county matters sufficient guarantee  
for loyal service.

For state auditor J. C. Callaghan of  
Bisbee is an avowed candidate. Mr.  
Callaghan is well qualified for the  
position, having acquitted himself  
with ability in many offices of trust  
in this county and has a host of  
friends who will urge Cochise's claim  
for recognition in the state adminis-  
tration.

Mayor Ed James for clerk of the  
superior court is a popular, painstaking,  
efficient and careful official. As  
clerk of the probate court for the past  
three years his official service has won  
him deserved praise and merited gen-  
eral commendation, while his experi-  
ence makes him especially fitted for  
the similar task required in the elec-  
tive office.

Fred Sutter as candidate for super-  
ior judge needs no introduction to  
Cochise citizens. He is a well known  
lawyer of ability and has served Co-  
chise with distinction on numerous  
occasions in legislative and other of-  
ficial capacities. He has, as attorney  
been identified with important Ariz-  
ona litigation involving intricate  
and knotty legal questions winning  
decisive victories. Mr. Sutter is an  
active Democrat and making an active  
race.

Judge Owen T. Rouse today an-  
nounces his candidacy for judge of the  
superior court, subject to the Demo-  
cratic primaries. Judge Rouse is a  
native of Kentucky, was reared in  
Missouri and graduated at the Cleve-  
land law college. He was appointed  
U. S. Attorney of Arizona in 1885 by  
President Cleveland and Associate  
Justice of the Supreme Court of Ariz-  
ona in 1893, serving four years.  
Judge Rouse is an able attorney of  
unquestioned integrity and stands for  
the square deal to all.

## Fifteenth Patient For the Asylum

Yesterday afternoon the lunacy  
commission of this county committed  
to the territorial insane asylum the  
fifteenth patient since the first of the  
present year. The name of the un-  
fortunate man is John Marr, a resi-  
dent of Bisbee and thirty years of age.  
The patient imagines that someone  
is constantly pursuing him and that  
when asleep at night persons gather  
upon the roof of his dwelling and  
throw rocks at him through the ceil-  
ing. He was taken to the insane  
asylum this morning by Deputy Sher-  
iff Howe.

## Who Can See The New Comet?

If you see a bluish-looking light  
in the heavens near Ursa Minor to-  
night, do not be alarmed. It is a  
comet discovered a short time ago by  
Dr. Brooks of Geneva, N. Y., but  
none of the scientists think it por-  
tends any disaster to the earth or the  
inhabitants thereon.

Henry more eggs if they have a  
change of foods. The prepared Colton  
Egg Food is a mixture of grains, seeds  
and other egg producing ingredients.  
Telephone Ed. H. Reeves' Coal and  
Feed Store, and he will send you a  
ack. Chick food for Latt - Chicks.

## He Should Be Swatted Early

The time to swat some of the  
pie counter patriots is at the primary  
election. To defer the operation un-  
til a later date is likely to prove a  
dangerous thing.

horse and saddle led to two killings at  
a horse camp near Camp Verde. Clin-  
ton Strahan was shot and killed by his  
older brother Charles, who was under

a spectator, offered remonstrance at  
the shooting, whereupon Charles Stra-  
han replied, "I will give you the same  
medicine," and started to draw a gun.  
Greer, however, was too quick, and  
fired, killing Charles. A coroner's

## MOSQUITO BITE MAY COST HAND

Arizonan Bitten By a Fierce Mosquito  
From Which Blood Poisoning Re-  
sulted--May Require Operation

### A POISONOUS MIDNIGHT MARAUDER

Suffering from a severe attack of  
blood poisoning, as the result of a  
mosquito bite upon his hand, Roy  
Pevett, foreman of the Packard ranch,  
in Sonora is now in Douglas for treat-  
ment. It is thought that the mem-  
ber can be saved, although it was  
badly infected when he first arrived in  
Douglas.

Several days ago Mr. Pevett was bit-  
ten upon his left hand by the insect,  
while sleeping, it is stated. When he  
awoke he scratched the place, lacerat-  
ing the skin with his finger nails.  
In this way it became infected. Sim-  
ple remedies were tried at first, but  
these failing, he was brought to Dou-  
glas, being at that time in a very se-  
rious condition.

## Father Finds Daughter In Cochise After 20 Years Absence and Believed Lost

Captain Tom Fielding, who dis-

led to the capture of Juarez by Mex-  
ico's forces, has found in San Simon  
his daughter whom he lost 20 years  
ago while he was a prisoner in a de-  
tention camp in Colorado suffering  
from smallpox. When he recovered  
his wife had disappeared taking with  
her their only child, a girl of three.

The only information he could ob-  
tain was that the child had been  
placed in an Iowa orphan asylum and  
later adopted into a good family.  
His daughter heard of her father  
for the first time during the Juarez  
fight and got a letter to him. She  
met him at San Simon this week,  
bringing with her a seven month's  
old daughter, for an indefinite visit.

ings being held there.

"Mr. Clapp said yesterday that it is  
probable that the rates on wool, lum-

reduced in Arizona in the near future.  
There has been a great deal of agita-

was the result."

He has not been able to ascertain

Ralph is well known in Tombstone
